Monday afternoon works for us. Could you provide any specific questions you have about the SQT approach prior to the call, so we can be prepared?

Thanks

1. Betsy and Kelly are not available next week. I will have a list of BHHRA items that R2 has promised to get back to us on that we can review
2. Can we do a call on Monday or Tuesday afternoon that focuses on the BERA and specifically the Reference, Background and the SQT information that was provided on June 19. We have a number of questions that we need to ask
3. Pls let me good time on Monday and Tuesday afternoon that I can schedule a call.

Thanks

Rob

Importance: High

I'm sorry I did not circulate an email on Friday. An old friend passed away unexpectedly on Friday.

Why don't we look for times on Tuesday, Wednesday and Thursday morning? Otherwise, why don't we

try next Monday or Tuesday?
